

# The fuel card for the ultimate breakthrough in fleet efficiency

## Local access and service with the convenience of nationwide fueling.

Fleet efficiency is paramount to the success of your business, and the Commercial Fleet Fuel Card from World Kinect Energy Services helps drivers get fuel as quickly and efficiently as possible. Offering fuel purchases through a network of local CFN fuel retailers, you get access to cost-plus pricing and secure, easy in-and-out access for your commercial fleets.

### If you need:

- ✓ Security & control of purchases
- ✓ Wholesale cost plus pricing
- ✓ Fast Fueling
